

# CONTENT

<i>Chernova O.T.</i> Analysis of network underground gas storage of Ukraine .....	261
<i>Pedchenko L.O., Pedchenko M.M.</i> The forcibly preservation of gas hydrate blocks by layer of ice ..	277
<i>Glukhov O.O., Pedchenko M.O., Borodin D.S.</i> Features of seismo-acoustic methods of coal seam faults prediction .....	287
<i>Maksymova E.O., Ovchynnikov M.P., Svetkina O.Yu.</i> Research kinetics of hydrate formation in the magnetic field .....	293
<i>Sai K.S., Ganushevych K.A.</i> Utilization of mine methane and their transportation in gas hydrates state .....	299
<i>Tatsakovych N.L., Karpash M.O., Karpash O.M., Voloshyn Ya.V.</i> Standardization as a technology transfer route in engineering .....	309
<i>Kharchenko V.V., Dolgyi O.A.</i> The Black sea hydrogen sulphide .....	321
<i>Bulat A.F., Pimonenko L.I., Burchak O.V., Suvorov D.A.</i> Mechanisms for energy absorption by the coal substance at the atomic-molecular level .....	329
<i>Bondarenko V.I., Symanovych G.A., Vivcharenko O.V., Chervatiuk V.G.</i> On the question of load formation on stoping complex support .....	335
<i>Kovalevska I.A., Snigur V.G., Malykhin O.V.</i> Regularities of interrelation of coal-bearing strata parameters with in-seam mine workings bottom heaving .....	343
<i>Bulat A.F., Malanchuk Ye.Z., Nadutyi V.P.</i> Research of electrostatic field influence on rocks of basalt raw material .....	353
<i>Dychkovskiy R.O., Falshtynskiy V.S., Lozynskiy V.G., Saik P.B.</i> Analytical investigations of massive stress in the zone of disjunctive fault influence .....	361
<i>Dolzhykov P.M., Pronskiy D.V., Ryzhykova O.O.</i> Filtration properties of saturated disperse soils at pressure-injection consolidation .....	367
<i>Ishchenko K.S., Konoval S.V., Kratkovskiy I.L., Krukovska V.V., Krukovskiy O.P.</i> Experimental studies of geomechanical processes in hard rock massif during blasting of explosive charge in different crosscut shape .....	373
<i>Dolzhykov P.M., Ivliieva Ye.O.</i> Borehole technology of stabilization deformation processes in hydroactivation underworked soil .....	381
<i>Koptovets O.M.</i> Development of dynamic model of braking gear involving frictional contact increment .....	387
